Cinnamon Bear Bar & Grille Launches Pacific Northwest Fusion Menu

Whistler, BC, Canada - June 28, 2007 – The Cinnamon Bear Grille, signature restaurant of the Hilton Whistler Resort & Spa, is re-creating its dining culture by releasing an exciting new menu. Specializing in fresh Pacific Northwest fusion cuisine, the new menu incorporates an exotic array of international flavors including Asian, Indian, and North African specialties.

“We’ve taken a fresh approach to our new menu. Our Executive Chef, Jay Lynn, has succeeded in creating a menu that skillfully combines foods from the fusion of cultures in the Pacific Northwest, that is ideal for summer,” said Robert Tan, Director of Food & Beverage at the Hilton Whistler Resort & Spa. The Cinnamon Bear Grille offers a sophisticated, yet casual dining environment appropriate for families, friends, and couples alike. A few of the Chef’s new favorites include:

- seared Halibut on a bed of spicy black chick pea curry and organic root vegetable chips,
- Thai stir-fry with grilled tiger prawns in a Kaffir lime green curry with basmati rice, cloud ear mushrooms, and toasted cashews,
- frozen orange and Grand Marnier soufflé with a citrus tiramisu and a fresh carrot, orange & vanilla shot.
