

General Manager
Hilton Whistler Resort
4050 Whistler Way
Whistler, BC, V0N 1B4

You have advised us that pursuant to guidelines published by the Canada Revenue Agency (CRA) under the Excise Tax Act (Canada), a non-resident tour operator/convention organizer who is not registered under the GST provisions of the Excise Tax Act may be eligible for a rebate from the CRA of any GST paid by the tour operator/convention organizer on accommodation space that is ultimately re-supplied to non-residents of Canada (“GST-Rebate”).

We hereby confirm to you that the hotel accommodation space purchased hereunder (“Accommodation”) is being re-supplied to non-residents of Canada and hereby assign to the Hilton Whistler Resort our rights to any GST-Rebate that may be applicable and undertake to provide the Hilton Whistler Resort with such evidence as is required by the Guidelines in the assignment of the rebate by crediting the amount of the rebate directly on the invoice and we agree to repay the Hilton Whistler Resort the full amount of any GST normally payable on the Accommodation should the CRA disallow the GST-Rebate for any reason whatsoever.

We also agree to advise each non-resident purchaser to whom we re-supply the Accommodation, in writing, that the price charged for the Accommodation has been adjusted to reflect the GST-Rebate and no further rebate may be claimed by such non-resident purchaser in respect of the Accommodation.

We further agree that the foregoing provisions may be amended or discontinued by the Hilton Whistler Resort at its sole discretion, at which time the Hilton Whistler Resort shall notify us and the CRA of same.

Yours truly,
